Civil Action No. 4:20-cv-00957-SDJ

**NOTICE BY DEFENDANT GOOGLE LLC
REGARDING MULTIDISTRICT LITIGATION**

Defendant Google LLC respectfully updates the Court on an upcoming filing that concerns venue issues similar to those presented in its pending Motion to Transfer. Dkt. 28. As reflected in the parties' Joint Report, thirteen new digital-advertising lawsuits were filed against Google on April 19-20, 2021 that relate to this action. *See* Dkt. 108 at 6-7. These suits were filed in courts across the country, including in Wisconsin, Ohio, New Jersey, New York, West Virginia, Delaware, and Mississippi. These new cases bring the total related cases to at least 28 in some 16 different jurisdictions. In the interest of efficiency and uniformity, Google will petition the Judicial Panel on Multidistrict Litigation ("JPML") to centralize all related cases before a single district judge. The petition will list this action, *Texas v. Google*, as among the related cases. In doing so, Google does not intend to waive or withdraw its pending Motion to Transfer, which remains important to resolve the venue issues raised with respect to this case. That motion, however, cannot address the venue of the 28 other related cases now pending in other districts. Google therefore must move forward with its motion to the JPML.

Dated: April 30, 2021

Respectfully submitted,

R. Paul Yetter
